

Leck mich im Arsch

melody over it.

We also see a vulgar streak in several prank tunes, many composed in tandem with his masterpieces. There is, in fact, a meow duet in the Mozart oeuvre. Also, the same year he made the luminous Fantasy no. 1 with Fugue, Mozart wrote a canon of six sober voices repeating “Leck mich im Arsch” (or “Lick Me in the Butt”). Another canon from that period begins with the phrase “good night” in several languages, then a sung “phooey phooey!” and a filthy line about crapping the bed.
