

Persimmons

[Persimmons]

July 20, 2024

i did not know my father’s favorite fruit
was persimmon
until my aunt told me.
she says it’s from their childhood.

i imagine my grandparents’ fridge
flooding
with strange rusty blobs
& him,
running towards them, palms opened
like sent prayers.
i wonder
what do you love
when no one remembers?

—Noor Unnahr

[Persimmons]
i did not know my father's favorite fruit was persimmon
until my aunt told me.
she says it's from their childhood.
i imagine my grandparents' fridge
flooding
with strange rusty blobs
& him,
running towards them, palms opened
like sent prayers.
i wonder what do you love
when no one remembers?
